EDUCATION

California Polytechnic State University, San Luis Obispo (Cal Poly)

Bachelor of Science Degree in Computer Science

Aug 2026-June 2028

Relevant Coursework: System Software Mechanics, Introduction to Databases, Engineering Statistics

College of the Canyons, Valencia

A.S. in Computer Science, A.S. in Physics and A.S. Mathematics

June 2023-June 2026

GPA: 3.62

Relevant Coursework: Mechanics of Solids and Fluids, Electricity and Magnetism, Data Structures 1 and 2, C and C++ Programming, Java Programming, Computer Architecture

SKILLS

Programming Languages: C, C++, Java, Python, HTML, CSS, JavaScript, SQL, PostgreSQL, React, NextJS

Software Tools: Xcode, Microsoft 365, Vim, Git, REST API, JSON, Adobe Premiere Pro, Davinci Resolve, Canva

PROGRAMMING PROJECTS

MESAConnect, Website and Social Media Service

Languages and Tools Utilized: React, NextJS, Supabase, Framer Motion

- Created a web Social Media Service in NextJS on the frontend, Supabase handling the auth, database and backend.
- Used Supabase to track and organize transfer pathway data, helping students identify requirements for their target universities.
- Built tools for MESA stuff to push out news using a Rich Text Editor using Markdown for ease of creation.

MESAMobile, iOS App

Languages and Tools Utilized: React Native, Expo

- Created a mobile companion app to MESAConnect using Expo and React Native.
- Apple Maps used to display university locations and information using the Axios and REST API.
- RLS-backed messaging system that allows students to connect and plan study sessions.

WORK EXPERIENCE

Demonstrated excellent teamwork, time management, customer service, and communication skills through the following employment:

Lead Software Developer and Tutor – MESA, Valencia, CA (10 to 20 hours/week)

2023 – 2026

- Tutored and lectured labs to students, such as React, SolidWorks, Unity.
- Helped develop projects and labs for students outside of STEM to do as a gateway into the field.
- Worked on various projects, such as a mobile app for students, a website, as well as did work on the official MESA COC Website.

CAMPUS INVOLVEMENT/VOLUNTEER WORK

MESA, Member and Intern

Sep 2023-May 2026

COC Tech Club, President

Aug 2023-May 2026

- Founding Member in the Club in 2023 as a student.
- 2024-2025 school year volunteered as a Web Development Lead.

- 2025-2026 became the President of the club.

Speech Team, Member

Aug 2025-Feb 2026

- Competed at the speech competition in December 2025 at Mt. Sac College, Pomona.

HACKMESA, Announcer and Lead Backend Engineer

Jan 2026-Apr 2026

- Helped organize a hackathon for community college students at the LAAC; attendance of over 100 students.
- Was in charge of making sure the backend was stable.
- Did some of the announcement work during the hackathon.
